SHARE
EAT LOCAL. GIVE LOCAL.

The Sudbury Hospitality Association of Restaurant Entrepreneurs (SHARE) was formed in 2014 by a group of locally owned restaurateurs. SHARE started as a way to promote Sudbury's vast independently owned restaurant community, and to bring attention to the value of supporting local businesses.

We are a not-for-profit association, with a membership made up of many independent restaurants within the city of Greater Sudbury. The local independent restaurant industry is a valuable asset in driving tourism, contributing to building our community and is a major employer. We are proud to be part of this community and look forward to sharing with you our love for food and commitment to our community.

1 LITRE PURE MAPLE SYRUP

\$27

\$2 from each bottle sold will support Elgin Street Mission

For the past 31 years the Elgin Street Mission has served the Sudbury community. The Mission provides physical, emotional and spiritual nourishment to all who enter its doors.

The Mission is a Christian based non-profit, non-political registered charity funded by donations from individuals, businesses and churches. It does not receive any regular government or city funding but functions through the generosity of its community partners. This generous support enables us to offer valuable services at no cost to our clients.

The Mission provides two meals a day (breakfast & supper) 365 days a year. With 90,000 meals being served yearly, as well as clothing, showers, laundry facilities and a safe refuge in times of need. Individuals and families can also access counselling services, spiritual development and referrals in a non-judgmental community atmosphere.

Although hope begins with a meal, the Mission's goal is not just to feed those experiencing homelessness, but be a positive change agent in the lives we encounter.
